BOOK SYNOPSIS

Featuring 1500 listed whiskies from around the world, this exceptional and unique guidebook is a must-have for all whisky amateurs and connoisseurs alike. It provides a visual categorisation of the main aromas (nose, body, finish and strength), for each of the 1000 whiskies, plus additional tasting notes for 500 others - based on the authors uniquely conceived aroma wheel. Including maps showing geographical areas of production and different terroirs as well as 3D illustrations of whisky production, *Iconic Whisky* provides an amazing wealth of information about the nature and origins of whiskies from all around the world. From different types of whisky, the different stages of the production process, grain types (and how these affect flavour), casks (sizes and history), glassware and vocabulary, this book contains resources that all amateurs and professionals need to know in order to refine and reinforce their knowledge of the whisky culture and tasting techniques.
