BOOK SYNOPSIS

My first collection "Bottom of the Barrel", a collection of original, illustrated puns turned out to be a runaway success. It was discovered that by tying six copies together a perfect airplane wheel chock was created. This collection is of puns and limericks, no illustrations. Just as Stephen Sondheim wants to be remembered for his lyrics, so too do I want to be known for my words.

ONCE WAS MORE THAN ENOUGH - Are you looking for Ebook Once Was More Than Enough? You will be glad to know that right now Once Was More Than Enough is available on our online library.
