BOOK SYNOPSIS

"The bastard son of a prostitute, Lazarillo goes to work for a blind beggar, who beats and starves him, while teaching him some very useful dirty tricks. The boy then drifts in and out of the service of a succession of masters, each vividly sketched and together revealing the corrupt world of imperial Spain. Its miseries are made all the more apparent by the candor and surprising good cheer with which young Lazarillo recounts his ever more curious fate"--Publishers description.
