## BOOK SYNOPSIS

Veronica can't accept the fact that her baby's daddy, Chris, has moved on with his life. Despite him being engaged, she still wants that happily ever after with him that was stolen away from her years ago. Now that he is back in the picture trying to make up for lost times, what better time than now for Veronica to try to get her man back? So now she has to find a way to win her man's heart again; even if it means she has to get rid of his fiancée. With the wedding date being pushed up, the pressure is high, and she is nervous that she won't get him back in enough time. How far will she go to get the love of her life back before it's too late? Monica's heart beats for Ronnie, even though he's her brother's enemy. They have started a war between each other, and Monica feels like she is stuck in the middle. She knows her loyalty should always be with her brother, but her heart won't allow Ronnie to get hurt. While trying to hide both her feelings for Ronnie and her pregnancy from her family, she follows her heart and commits the ultimate betrayal. With her back against the wall and only a few people knowing her secret, will she later pay for her ultimate betrayal or get away with it? Rebecca has been betrayed once again by another person she loves dearly. Love forced her to become someone she doesn't even recognize anymore. Facing consequences for her actions, she is forced to go to therapy to help with her court case. Now with a broken relationship with Michael, a stepmother who has turned her back against her, family betrayal, and facing charges for her actions; will she run into the arms of the one person who has always been there for her? Or will she fight this battle alone and get revenge on everyone who has ever hurt her?"
